Week of Prayer for Associational Missions

and R. David Terry Offering

May 15 – 22
(suggested date)

Pray for God's provision as we assume the financial responsibility for the new Association Center!

The dream of having of our own facility has become reality! On February 15, 2011, the moving van rolled into the parking lot at 7103 DeSiard Street, Monroe and began unloading the items from the former location. Boxes were stacked high as the process began to make the new facility home to Northeast Louisiana and Morehouse Baptist associations. On March 3, 2011, the first event was held at the new center when a group of church and denominational secretaries met for training. That's one of the reasons for this facility. It will also be used for conferences, an associational media center, meetings, fellowships and offices. It will be available as a meeting place for new churches while the churches are obtaining their own property.

Your gifts to the R. David Terry Offering will go directly toward the principal on the building note. This will allow us to pay off the mortgage sooner. Gifts can be given to the building fund by sending checks to Building Fund, Baptist Associations, 7103 DeSiard Street, Monroe LA 71203.

Northeast Louisiana and Morehouse Baptist Associations ... A Bridge to Missions

The Baptist Association ... the greatest impact for the Great Commission

You may ask, "What is the Baptist Association?" Simply defined the Baptist Association is a self-governing fellowship of churches on mission for Jesus Christ in a particular geographical location.

The purpose of the association is to nurture fellowship; provide resources; train, develop and encourage workers; and provide opportunities for churches to work together in missions, ministry and evangelism.

The most powerful force on earth is the life-changing message of Jesus Christ proclaimed by the church. As it moves into its fourth century of existence, the local Baptist association is positioned to assist its churches in their task of fulfilling the Great Commission. As churches are faithful to their calling, and as the Baptist association stands with them, lives will be touched and our world will be changed by the power of the gospel of Jesus Christ.

Pray for ethnic missions

The associations minister to Chinese and Hispanic peoples. Pray for the pastors and leaders who work with these distinct people groups. Pray that God will be exalted in all they do and many will come to know Him as Lord and Savior.
