Unreached, Unengaged People Group—Turkish People Living outside of Turkey

“To be a Turk is to be a Muslim” is a widely held belief shared by Turks. The dominance of Islam, extreme nationalism, and close family ties mean that very few Turks are open to considering the gospel. From childhood they are taught untruths about the Bible, Jesus, and Christianity. Turks who become believers may be alienated from their families, and even cut off from their spouses and children. They also risk losing the support they depend on for their livelihood. Still the greatest hindrance to the spread of the gospel is simply that they have not heard! Despite these difficulties, God is at work and Turks are coming to Christ. Please pray for this people group on a continuing basis.

Northeast Louisiana and Morehouse Baptist Associations ... Churches Connecting for God's Glory!

The Baptist Association ... Connecting Churches for God's Glory!

You may ask, "What is the Baptist Association?" Simply defined the Baptist Association is a self-governing fellowship of churches on mission for Jesus Christ in a particular geographical location.

The purpose of the association is to nurture fellowship; provide resources; train, develop and encourage workers; and provide opportunities for churches to work together in missions, ministry and evangelism.

The most powerful force on earth is the life-changing message of Jesus Christ proclaimed by the church. The local Baptist association is ready and willing to assist its churches in their task of fulfilling the Great Commission. As churches are faithful to their calling, and as the Baptist association stands with them, lives will be touched and our world will be changed by the power of the gospel of Jesus Christ.

Pray for these partnerships...

Baptist Collegiate Ministry, University of Louisiana at Monroe—Pray for Director Chad McClurg and Ree Reinhardt, associate director. Pray for students and that BCM activities will effectively proclaim the gospel. Pray that the new building will be used so the BCM can reach more students than ever before on the ULM campus.

Morehouse Care and Hope Ministry and Thrift Store—Pray for Pam Walker, director of this vital ministry for the Bastrop area. Pray that this ministry will reach many in Morehouse Association.

Northeast Baptist School—Pray for Anita Watson, principal, current teachers and students as they learn academically and spiritually. Pray for the school during the 2019–2020 school year.

Ray of Hope Ministry—Pray for Karen Sammons, director, and this important ministry. Ray of Hope is a food and clothing distribution center. Over two tons of food are distributed weekly. Over 1300 families are ministered to by the Ray of Hope center in our area.

New Orleans Baptist Theological Seminary—Classes are growing at the NOBTS Extension at North Monroe Baptist Church. To enroll or for information contact Jay George at 318.343.4730 or 318.914.0518.

Pray for these annual events

- **Student Impact** —Pray for our youth to be encouraged as they attend this event and for God to use them to impact the school campuses in our area. This is one of our largest events each year. The date for 2019 is Wednesday, September 25.
- **Senior Adult Progressive Fall Revival**—Each September our senior adults gather in three different churches for revival services. Pray for our senior adults who attend these services that God will deepen their relationship with Him. This year's dates are September 16, 17, and 18 at 10 A.M. each day. Churches hosting this year are First, West Monroe, Mt. Vernon, and Ridge Avenue.
- **Secretary Appreciation Day**—This event began in 2008 as a time to show appreciation and offer training for our secretaries and ministry assistants in both associations. The ladies are also treated to lunch and door prizes. The date for 2019 is Tuesday, November 5 at the Baptist Associations Center in Monroe.
- **Church Celebration and Missions and Ministry Fairs** are held before the Annual Meetings in each association. Northeast Association has a Church Celebration where churches can display information about mission trips and special ministries of their churches. Morehouse Association has a Missions and Ministry Fair for Baptist entities to let churches know about missions and ministries available to the churches.

Pray for Hispanic missions

The associations minister to Hispanic people in both associations. Pray for the pastors and leaders who work with this distinct people group. Pray that God will be exalted in all they do and that many will come to know Him as Lord and Savior.

Pray for churches needing staff members!

Pray for the churches who are needing pastors, ministers of music, students and youth, children, and other leaders. Pray that God will provide the persons for these ministry positions.
